Dear Applicant

**Re: Vacancy for a Cleaner – Yorkley & Bream Surgery
10 Hours Per Week/Job Share Applicants Welcomed (minimum 2 days per week)**

Thank you for expressing an interest in this vacancy within our non-clinical team. We are looking for a friendly, competent, conscientious individual to join our existing team who is flexible with a willingness to deliver high standards of cleanliness. It is essential that the successful applicant is able to work at both the main site, Yorkley Health Centre, the branch site at Bream and provide cover for absent colleagues (both emergency cover when necessary and for planned absences). Full training for this post will be given to the successful candidate.

We are a four GP Partner Practice with a multi-disciplinary team looking after a local population of approximately 9200 patients. As a Training Practice we are committed to training all staff and have a regular allocation of trainee GPs. Full training for this post will be given to the successful candidate.

We pride ourselves on the service we offer our patients and our excellent local reputation - all staff are integral to this. We rely on our premises being clean and fit for purpose in order for our clinical staff to carry out their necessary duties.

Hours of Work will be:

Day	Hours	Location
Monday	6.00 pm – 8.00 pm	Yorkley Health Centre
Tuesday	6.00 pm – 8.00 pm	Yorkley Health Centre
Wednesday	6.00 pm – 8.00 pm	Yorkley Health Centre
Thursday	6.00 pm – 8.00 pm	Yorkley Health Centre
Friday	6.00 pm – 8.00 pm	Yorkley Health Centre

There is a requirement, from time-to-time to cover absent staff at either site. We are happy to consider job share applications as long as the application is for a minimum of 2 days per week. We may not be able to accommodate requested days per week until successful recruitment is complete. We are happy to consider applications for the full 10 hours per week (working every day).
